The annual amount of the scholarship is euro 20.083,00 gross of the charges to be borne by the University equal to euro 3.839,73 per year and of the social security charges for the amount paid by the student.

The scholarship won't be paid out in case the scholarship winner, in the year before the starting up of the Ph.D., has a taxable income of more than € 25.000 (twenty-five thousand) euros.

The scholarship will be 50% higher than the annual scholarship for research periods abroad (as provided by Italian Law). Scholarships are paid every month, ex post.

Scholarships are confirmed for the following Academic Year if the Teaching Staff Council validates the results achieved by the PhD students and their income. Scholarships cannot be combined with other scholarships awarded for the same purpose. Those who benefited from a Doctorate scholarship, even for only one year, cannot benefit from a further scholarship.

The scholarships are incompatible – under penalty of forfeiture of the grantee from the enjoyment of the grant itself from the occurrence of the incompatibility – with:

- subordinate employment with a ended of open ended contract in private of public enterprises, except if the employer puts him on leave without contributions;
- Commerce or industry activities;

- Working contracts with Public authorities as foreseen by article 7 item 6 of D.lgs. 30 March 2001, n. 165;
- Collaboration contracts as foreseen by article 61 item 1 of D.lgs. 10 September 2003, n. 276.

Art.10 - Enrolment fee

When they enrol, Scholarship winners are expected to pay a contribution of 50 Euros towards the annual insurance for third-party liability against damage, as well as stamp duty for the application on the following current account:

INTESA SAN PAOLO – Via Abate Gimma 101 BARI (IBAN IT85X0306904013100000000757) held by Università LUM Giuseppe Degennaro specifying "contributo per assicurazione I anno Dottorato internazionale di ricerca in General Theory of the process" XXXIX cycle, 1st year".

Doctorate students (who have not win the scholarship) are expected to pay a contribution of € 6.000,00 per annum. The contribution must be paid, by Bank transfer on the following current account:

INTESA SAN PAOLO – Via Abate Gimma 101 BARI (IBAN IT85X0306904013100000000757) held by Università LUM Giuseppe Degennaro specifying "contributo per iscrizione I anno Dottorato internazionale di ricerca in General Theory of the process" XXXIX cycle - 1st year".

Moreover all the PhD students have to pay the Regional Tax for the Right to study according to art. 11 of regional law nr. 45/2012. More information will be given in the enrolment form.

Art.11 - Ph.D. students' duties

Enrolled students must attend the Doctorate courses held in the University, in accordance with the procedures established by the Teaching Staff Council and must carry out their research studies and activities regularly within the structures intended for that specific aim, in accordance with the procedures established by the Teaching Staff Council.

The admission to the PhD course implies an exclusive and full time engagement of 1.500 hours per year

The PhD students with scholarship and to Phd students who are employees on unpaid leave, must stay in the University's structures at least 4 days a week. The Phd students without scholarship are required to stay at University one days a week, without prejudice to the obligation to attend lessons, seminars and meetings organized by the PhD. All the PhD students have to fill daily the "PhD student's Libretto" and to sign it, where he has to specify the hours and the activities he has done. They have not to stay in the University during the period of closure of the buildings and (if it do not coincide) during the annual periods of rest. This disposal is applied compatibly with what is established in the regulation, which disciplines the jointed frequency between the PhD program and the Medicine specialization

schools, and even according to which is established by the conventions with the enterprises in case of industrial curricula in cooperation with them. The "PhD student's Libretto" is deposited in the "PhD Office".

The PhD student is required to make a detailed semi-annual Report of the activities performed, whether classroom or individual research. The said Semi-annual Report must be countersigned by the doctoral student's Tutor and filed with the "Doctoral Office" of the University at the disposal of the Board of Teachers and the Coordinator.

The PhD student, in its training project, can make, after clearance of the TSC and advice of the Didactic structures, without any increase of the PhD scholarship, activities of tutoring for the students of degree and Msc, and even, maximum 40 hours of integrative teaching for each academic year.

The public employees admitted to the PhD program can have for all the period of the program the expectation foreseen by their contracts. The expectation for the employees under public law, of extraordinary leave for educational purposes in order to study, is granted if it is compatible with the requirements of the public office by which he/she is employed, according with article 2 of the Law 13 August 1984, nr. 476, and subsequent amendments and integrations, with or without salary and unless there is an expressed claims waiver only if they are enrolled for the first time to a PhD Program, regardless the kind of program.

The interventions foreseen by the Leg. Decree nr. 68 of 29.03.2012 are extended to the PhD students.

The female PhD students are protected during their pregnancy as foreseen by the Decree of the Minister of Labour 12.07.2007, published on Official Journal nr. 247 of 23.10.2007.

The attendance of the PhD program can be suspended, after decision of TSC, for at maximum one year maintaining the right to have the scholarship, except the interruption of the payment of it, that will be payed after the PhD student will start to attend the PhD program again. It will arrive only in case of Pregnancy, military service or Civil service and severe and documented illness; as well as for similar cases not expressly mentioned in Article 8 of the General Regulations for Doctoral Programs and in all cases in which the College considers that suspension of attendance meets the doctoral student's educational and research needs, and does not conflict with the purposes of the Doctoral Program.

The PhD student cannot attend in the same time a Specialization school or a Degree. If the winner is enrolled to a Specialization school or to a Degree he has to suspend to attend those courses before the beginning of the PhD program.

The PhD students who attend the TFA (Active Traineeship) or to Masters or Specialization Course can obtain to freeze the beginning of the PhD program for at maximum 3 months. This period can be recovered within the legal duration of the PhD program according with the advice of the TSC.

If this period will be longer than 3 months, and no longer than one year, the activities of that PhD program must be deferred.

The TSC can propose with a motivated decision, after having listened the PhD student, that he can be temporarily suspended by the program, or to be excluded by it with the consequent total or partial loss of his scholarship in case of:

- negative assessment by the Teaching Staff Council of the results achieved during the academic year;
- overcoming of the maximum number of absence as it is allowed by each PhD program regulation;
- unjustified and prolonged absences;
- behaviours in contrast with the rules of incompatibility.

In the aforementioned cases, the scholarship will be suspended and the scholarship holder will be obliged to pay back all sums received during the year to which the disciplinary action relates.

Art. 12 - Evaluation of research activities

At the end of each year of the course, according with internal PhD program regulation, the TSC decides with the absolute majority, the admission to the following year of the program and/or to the final exam or, eventually the exclusion of the student, evaluating his assiduity, its profits and the progress of each PhD student, even as regards the number of publications for each year of the program. His evaluation it is made with the presentation of the two six-monthly reports of the previous year which the PhD student has filled and deposited by him at the "PhD Office". The TSC can eventually decide to listen the PhD student. The Student who will not pass that exam can be admitted under condition to fill the gap within three-months of the following year.

Art. 13 - Ph.D. degree

The Ph.D. Degree, awarded by the Rector and by the Chairman of Università LUM Giuseppe Degennaro, will be obtained following successful completion of the final examination, which will show the achievement of high scientific value results through the presentation of a written thesis in accordance with art. 8 of the "University Regulations on Research Doctorates".

For the final examination, on the advice of the Teaching Staff Council, the Rector will appoint a special Examining Board, in accordance with "University Regulations on Research Doctorates"

Art. 14 - Processing of Personal Data

Please note that the data collected will be processed in accordance with EU Regulation No. 679/2016 for the protection of personal data, so called GDPR, D. Lgs 101/2018 and ss.mm
